ABOUT MCE :

Malnad College of Engineering (MCE), founded in 1960 in Hassan, Karnataka, is a renowned institution affiliated with Visvesvaraya Technological University (VTU). It offers a wide range of undergraduate, postgraduate, and research programs in engineering and management. With cutting-edge infrastructure, modern labs, and a vast library, MCE creates a vibrant learning atmosphere.

The college emphasizes ethical values, innovation, and industry-relevant education through experiential learning. Its serene campus and academic excellence have shaped countless professionals. MCE's commitment to global standards ensures students become competent engineers, leaders, and problem-solvers equipped to meet the challenges of a dynamic world.

ABOUT IUCEE MCE :

The IUCEE EWBMCE Student Chapter is a dynamic, student-run organisation that unites driven individuals to solve practical problems via service and innovation. In collaboration with Engineers Without Borders (EWB), our chapter equips students with real-world skills and a humanitarian perspective by going beyond the conventional curriculum. One sustainable solution at a time, we're improving the world outside of the classroom.

Students can develop into socially conscious engineers through a variety of activities, such as interactive workshops on cutting-edge technologies, community-based projects, and national events like **AAVISHKAR MANTHAN**. Our goal is to establish an environment where students can work together, be creative, and actually change society.

CULTURAL NIGHT

Aavishkar Manthan: Awaken the engineer inside you.

IDEATHON :

Ideathon is a thought-provoking event under Aavishkar Manthan that encourages students to identify real-world problems aligned with the Sustainable Development Goals (SDGs) and propose innovative, practical solutions. It promotes teamwork, critical thinking, and creativity.

The event spans three days, beginning with brainstorming sessions and ending with a structured pitch presentation.

Teams present their problem statement, analyze existing solutions, highlight limitations, and propose original ideas backed by data and visuals. Ideathon fosters innovation, collaboration, and impactful thinking, offering participants a platform to showcase their engineering mindset.

ELOCUTION :

Elocution, a flagship event under Aavishkar Manthan, offers a dynamic platform for students to showcase their command over language, persuasion, and presence of mind.

From thought-provoking debates to creative storytelling and spontaneous wordplay, this event challenges both individual expression and team coordination.

Beyond competition, Elocution aims to shape confident communicators that not only speak, but spark thought and inspire change.

Judging criteria include content relevance, delivery, originality, and overall impact.

If you believe in the magic of words, the mic is yours.

WALKATHON :

One step at a time!

Walkathon is an engaging awareness initiative under Aavishkar Manthan, designed to promote sustainability, health, and community responsibility.

Walkathon aligns with the Sustainable Development Goals (SDGs) by encouraging participants to take a stand for causes that matter.

Walking together through a planned route, students display posters, slogans, and messages to spread awareness about environmental conservation, climate action, and social well-being. It's not just a walk, but a movement that fosters unity, action, and reflection on global issues.

BONFIRE & CULTURAL NIGHT :

Bonfire and Cultural Night is a vibrant entertainment segment of Aavishkar Manthan, designed to give participants a joyful and memorable experience after a day of innovation and competition.

Held under the open sky, the bonfire creates a warm, relaxed atmosphere for bonding, laughter, and informal interactions. The cultural night showcases diverse student talents through music, dance, drama, and more, celebrating creativity and cultural expression.

It's a night where participants unwind, connect, and celebrate their shared journey.

This joyful evening adds spirit and energy to the event, making Aavishkar Manthan not just intellectually enriching, but also truly unforgettable.

REGISTRATION DETAILS :

PER PERSON

EVENT FEES + FOOD = 600/-

EVENT FEES + FOOD + ACCOMODATION = 1600/-

ACCOMODATION WILL BE AVAILABLE FROM
29th SEP 9AM TO 2nd OCT 9AM

GENERAL RULES & EVENT FLOW

GENERAL RULES

1. Registration & Entry

- All team members must complete event registration and carry their college ID cards at all times.
- Each member will be assigned a ID/pass, which must be shown when entering the venue or accommodation area.
- Late arrivals must inform the organizing committee in advance.

2. Code of Conduct

- Teams must maintain discipline, respect, and decorum inside the campus and accommodation facilities.
- Alcohol, smoking, or any banned substances are strictly prohibited.
- Any form of misbehavior, damage to property, or misconduct will lead to immediate disqualification and disciplinary action.
- Cheating or copying will result in immediate disqualification.

3. Accommodation Rules

- Accommodation will be provided only for registered participants.
- Entry/Exit timings: Hostel in-time is 9:30 PM(or as decided by organizers).
- Participants are responsible for their belongings. Organizers will not be held liable for any loss.
- Maintain cleanliness in rooms and washrooms; littering will attract fines.

GENERAL RULES

4. Event Participation

- Teams must report to the event venue on time as per the schedule.
- Any delay or absence may result in disqualification.
- Participants must follow the instructions of volunteers and coordinators.

5. Safety & Emergency

- In case of any medical emergency, immediately inform the nearest volunteer or helpdesk.
- Emergency contacts (organizing committee, security, ambulance) will be provided to all teams.

6. Departure & Check-Out

- Teams must vacate their rooms by the notified check-out time.
- Rooms will be inspected; any damage to property will be charged to the concerned team

7. Organizer's Authority

- Decisions by judges and the organizing committee are final and binding.
- Organizers reserve the right to make changes in schedule or rules if required.
